P.T.C.

Parent Teacher Club

"Children are the Future"

What is the P.T.C.?

The Parent-Teacher Club provides Fredon school with a valuable volunteer service. The Fredon family (parents and staff) come together to support and enrich our educational system through fundraising, which allows us to provide many extra-curricular and co-curricular activities to our students.

When does the P.T.C. meet? Who can attend?

The P.T.C. meetings are usually held at 7:30pm on the fourth Tuesday of every month. We encourage all parents to attend and participate in our meetings.

How can I sign up to help?

Sign up sheets for all fundraisers/activities/Other Stuff committees will be available at both Back to School Nights and our first P.T.C. Meeting. Please feel free to contact any of our officers. Emails are available on the www.fredon.org website under P.T.C..

We cannot emphasize enough how valuable each and every one of our volunteers are to the success of our organization. The P.T.C. provides “the Fun Stuff” that allows children to look forward to activities within the day and even after school. Every minute volunteered is appreciated and without these wonderful volunteers, the P.T.C. would not be possible. We encourage parents to come out and get involved. The satisfaction of seeing a big smile on a small child’s face after he/she received their field day t-shirt or the giggles coming from a group of children as they watch a performer on stage during an assembly are priceless!
